

Heritage Community Services

The Heritage Goal

is to communicate the realities of sexual activity and the benefits of forming healthy families.

- Heritage addresses building healthy relationships outside the context of sex.
- Heritage provides training in character building and life skills.
- Heritage explains the consequences of sexual activity outside of marriage.
- Heritage explains the consequences of family fragmentation on child and family well-being.
- Heritage defines the characteristics and benefits of healthy family formation.

A year after Heritage Keepers Abstinence Education, students initiated sex at **HALF** the rate of comparison students.

Heritage serves approximately **16,000** across SC annually.

Since 1995, Heritage has served more than **150,000**.
